Come help us celebrate the deployment of our native oyster reef!

Date: Friday, November 15
Time: 10:30 am - 1:00 pm
Location: Point Pinole Regional Park
5551 Giant Highway
Richmond, CA 94806

After a long permitting process and many days spent mixing oyster shell, sand, and cement, everyone's effort and commitment results in today's festivities.

Come watch from the shoreline and pier as our reef balls get dropped into the water. Please remember to bring a camera (and a long lens will get you real close to the action).

We will also be serving oysters (not from SF Bay!) and drinks.

NOTE: Our site is approximately a 25 minute walk from the parking lot. If you don't want to walk, East Bay Regional Parks provides a shuttle that leaves the parking lot at either 10:30 am or 11:30 am. The shuttle then returns to the parking lot at 12:15 pm and 1:15 pm.

This project could not have been possible without the support of our many funders, partners, and volunteers. Thank you to all who contributed to making our Bay healthier.
